A clear monthly price.
A workflow for the book you maintain.

Maintenance contracts, inspection planning, report preparation, and renewal work for onsite-wastewater providers.
Start Free forever with no card. Optional 30-day Solo and Team trials are separate.

THREE PLANS · SUPPORTED CORE WORKFLOW INCLUDED

Choose a package that covers both counts.

PACKAGE	MONTHLY PRICE	ACTIVE CONTRACTS, UP TO	NAMED STAFF, UP TO
Free	**$0** forever	5	1
Solo	**$19** / month	100	1
Team	**$49** / month	500	5

Named staff includes the owner, office staff, and technicians. Homeowner recipients and external county viewers do not count. Free fits zero to five active contracts and one staff user, with no expiry. Existing grants are preserved. Above 500 contracts or five staff, contact us for capacity review before switching; no self-serve plan fits.

Paid plans are billed monthly. No annual discount, automatic overage charge, or obligatory storage surcharge. Applicable taxes are additional on paid plans.

EXISTING AGREEMENTS · PRESERVED

Your existing promises stay in place.

12 months at $0, then $50 + 50¢ per active contract, locked for 3 years. Assisted spreadsheet / CSV review and import at $0, direct feedback, and agreed county setup priorities.

These are existing founding promises, not a fourth plan for new customers. Your existing agreement governs participation and dates. SAFE-specific compatibility needs validation against your actual export.

Existing Free grants, larger paid agreements, and founding terms stay in place. No automatic migration. You may request an eligible current plan; any switch is agreed explicitly. Retained evidence and export access are preserved.

Start with a useful core.

- Keep active contracts and maintenance records together.
- Plan inspections and prepare reports for review.
- Follow upcoming renewals and required notices.

Confirm your setup first.

- County guidance does not establish an enabled automated filing connector.
- Review imports and third-party integrations before switching.
- Homeowner online payments and autopay remain planned.
